"Fusing, Sprinkling and Drawing Glass" is inspiring introduction to exciting technique in glassfusion.

Kirstine Damgaard has developed on a technique in which everybody are able to produce splendid glass works with beautiful glass designs, without needing to be good at drawing. With this sprinkling / drawing technique she presents 60 different glass works on a wide range of dishes, glasshouses, furniture, glass pictures and figurines. Author's imagination unfold over 176 pages - 91 of them i colour - in an easy and accessible way. The book is thoroughly illustrated and gives specific instructions on how you can produce similar glass work, using work descriptions, templates and drawings. If you want to develop your skills in using the sprinkle/drawing technique on glass, this book is a really good sparring partner.
