Da den 12-årige Signes dør i en tragisk ulykke, forsvinder al mening med livet for hendes mor. Men er hun ikke bare opfyldt af sorg, men også af ønsket om hævn? En mordbrand giver pludselig sagen højeste prioritet hos politiet, sporene fører i flere retninger, og først efter et uventet tip fra veninden Camilla Lind bliver Louise klar over, at det ikke er alle, der fortæller hele sandheden. – Femte selvstændige krimi om kriminalassistent Louise Rick fra drabsafdelingen på Københavns Politigård.
